13th October, 2015

Dear parent/guardian,

We are pleased to inform you that year 10 students will undertake a week of work experience in the week commencing Monday 18th April. The aim of this week will be to give students a taste of working in an adult business environment and the opportunity to gain experience and information which can be used in college applications, personal statements and in future CV writing.

Students will be issued with blue standard forms on Monday 19th October and these will be filled in with their tutors during period 4 of that day. The blue forms will be sent home with the students and we would be grateful if you could sign them. This should be returned to school the following Tuesday. **It is vital that these forms are returned promptly as work experience placements will be awarded on a first come first served basis.**

In addition, students may bring home a pink own placement form if they feel that they can secure their own work placement. This must also be returned promptly to the school.

Placements are sought by the CBEBP (Central Berkshire Education Business Partnership) and unfortunately are limited. Prompt return of completed forms means a greater chance of your son/daughter being offered a placement in their chosen area of work. Please note that students cannot always expect to be placed in their chosen areas. The most important thing is that they gain experience in an adult working environment.

Thank you for your support in this matter, if you have any queries please contact the school.

Yours faithfully,

Mr T Smith,
Head of Careers.
