

6th September 2016

Dear Parent/Carer

Record Breaking Exam Results

I would like to congratulate all the students on their fantastic results and wish them well as they begin their chosen A Level courses. I would also like to thank you, the parents and carers, for the support you provide to your children and the school. Without it these outcomes would not be possible.

56% of our fantastic Year 11 students achieved A*-C in both English and Maths, which is an exceptional result, and an improvement of 14% in one year. This is particularly pleasing, given the drop in results nationally. We also had 43% of our students achieve A* or A in at least one subject, with 39 students achieving three or more A* and A grades. Eight of our students achieved spectacular results securing eight or more A* and A grades each.

Without a great deal of support from home, these results would not have been possible. Year 11 is a stressful and pressurised time for the staff and students, but it can also be a challenging time for parents and carers, and so on behalf of the Governors, staff, and myself, I would like to thank you for your support and patience over this year.

It is great to see record numbers of Year 11 students joining the Sixth Form. It is equally pleasing to see that all of our Year 11s have secured places at either college, apprenticeships or in other Sixth Forms.

Our A Level results were also very pleasing. We had an overall pass rate of 96%, with nearly 30% of these A* or A. This means that many of our students secured a place at university to continue the successful education they began at Prospect.

The results are a shining testament to the hard work and success of students, staff and parents. I am thrilled that so many of our students have achieved outstanding results and with parents continued support we are looking at further fantastic results in 2017

Yours faithfully

P Davies
Headteacher
