

Dear Parents,

Re: Trips to Rushall Farm 2017-18

Once again the Alternative Curriculum are taking trips to Rushall Farm throughout the academic year.

The purpose of the trips is to undertake activities which relate to targets in their ASDAN and Prince's Trust courses. The activities will give students a chance to see different aspects of the farming year including woodland work, jobs around the farmyard and lambing.

I attach a list for you to see which year group are undertaking visits at which times. When Year 10 students are shown on the table we shall be taking half the group on each occasion as the whole group cannot fit into the school minibus. Students will be told who is on each year 10 trip in advance so that you can be kept informed.

Students should dress appropriately for the Rushall Farm trips and a packed lunch will be required on each occasion.

Trips will leave Prospect School at 8.45 a.m. and return before 2.45 p.m.

In order for your son/daughter to be able to take part in these trips please could you fill in and return the 'Off-Site and Outdoor Activities' form included with this letter and the slip at the bottom of this page.

Thank you for your help with this matter.

Yours faithfully,

Mr T Smith
