

# VIVE LA FRANCE

## Les élèves du Sixth Form ont visité Paris

A group of year 13 students visited Paris in the February half term, going to numerous landmarks in the city.

We set off on the Monday, catching the coach at 6:45am to London and travelling by Eurostar.

We arrived in the city and made our way to the hotel, which was somewhat reminiscent of a hotel from the 80s & 90s. Most definitely not from the present time.

We visited the Arc De Triomphe, with some of the most spectacular views of the city's landscape.

Later we walked down the Champs Elysées and hopped on the Paris wheel (The Parisian equivalent to the London Eye) with more views to behold.

Throughout the week we visited the Catacombs, the Pompidou centre, the Musée D'Orsay, the legendary Hard Rock Café, Tuileries gardens and Louvre museum, seeing the famous Mona Lisa (It's rather small!).

We also visited Les Halles, a partly underground shopping centre.

We met a group of northerners also visiting who were at the same hotel as us!

We went to the top of the Eiffel Tower, offering some of the most breath-taking and scenic views known to a major city.

A group highlight was the trip to Disneyland, seeing the parades and watching the spectacular display of fireworks at the end.

We all had a wonderful trip.

A big thank you to Mr Beard & Miss Ralston for taking us!
