

CAREERS FAIR – DECEMBER 2018

A very important part of why we are educating your child is so that one day they will leave school and find a meaningful career. We are very keen for all our parents to help us through the expertise they have.

We are looking for new representatives of businesses, professions and trades that are willing to come along and have a stand at the fair to provide information to our students.

If you are willing to take part or know someone who is please complete and return this form. If you would like further information about this event and all the other events we are planning to support your children please contact sgallivan@PROSPECT.READING.SCH.UK.
