Dear Parent/Carer

Headteacher: Mr Philip Davies

School Uniform

As we come towards the end of term we are aware that many parents will be looking to purchase school uniform for next term. I would like to take this opportunity to reiterate the school uniform policy and rules relating to piercings/jewellery.

School uniform is an important part of school life and provides a benefit to both school and parents. It ensures that the image the school projects is one of pride, industry and identifiable purpose, all of which are very important.

School uniform is helpful for parents as it prevents competition and confusion over what is acceptable for school. Prospect School does not consider extreme fashion to be desirable. A list of uniform is shown below and also to view on our website.

The sweatshirt and tie should be purchased from Stevenson's in Reading (<https://www.stevensons.co.uk>), other items are available from a range of high street and online retailers.

From September all pupils will be expected to be in the correct uniform. Pupils who do not comply with the uniform code will be challenged by staff. There are a number of possible courses of action depending on circumstances at the time in question: -

Possible courses of action are as follows: -

- Parent/Carer contacted and pupil sent home to get correct uniform
- Withdrawal from lessons
- Parent/Carer may bring correct uniform into school

The school does not expect a note to be given to a pupil for an indefinite period of time. The expectation is that the correct uniform will be worn as soon as possible (i.e. next day).

Please do not hesitate to contact the relevant Head of Year if you have any questions regarding uniform.

Yours faithfully

Mr Priddey
Assistant Head Teacher (Support)
