SIXTH FORM TRIP TO THE GLOBE THEATRE IN LONDON

Friday, 7th September 2018

Miss M. Mahere - English Teacher

The play took place at The Globe in London. Although the original building was destroyed, Shakespeare's Globe gave us an excellent experience of how the play would have been received by contemporary audiences. Watching the play itself helped to solidify my previous knowledge of the text. It also allowed me to experience the play from a viewpoint other than my own. Overall, 'Taming of the Shrew', although a more controversial play, allowed me to further my knowledge of the text and helped me develop my opinions.

Rahisa R

As a modern feminist, I received the play badly. It challenged my views and added to my knowledge of both Shakespeare and of the Taming of the Shrew. Going to the Globe Theatre was like travelling back in time. The problems with the inequality of our society are shown extraordinarily in Shakespeare's The Taming of the Shrew. It was even more extraordinary seeing it live at The Globe Theatre in London with amazing displays of music and acting. The performances almost became real as they navigated the stage.

SIXTH FORM TRIP TO THE GLOBE THEATRE IN LONDON cont'd ...

A controversial play that has divided many modern audiences. The Globe Theatre gave a true Elizabethan experience from standing to sitting. A true air of the era of The Bard was created. The play itself was a comedic masterpiece eliciting laughs from every member of the audience. An amazing experience for budding literature fans.

Career News

Siobhan Gallivan—Head of Department

Year 10

- Do you want to work for yourself?
- Do you want to gain the skills needed to be a self-starting entrepreneur?
- Are you interested in not only working in a team to build a REAL life business but also to be part of a school network with a view to go through to the European Finals?

We are running a new programme every Monday in PHSE which will give you tangible transferrable employability skills.

AND

- Would you like Business Mentor to help and guide you with your next steps when you leave Prospect – even if you decide to stay at 6th Form this is a valuable opportunity.
Please encourage your children to sign up as Year 11 is a very busy year for them.
- We had a fantastic talk from our 6th Form Head who explained the application process for what is the highest achieving 6th form in the area. Apply early and read the prospectus.

Further information:

Year 11

This week's assembly will be all about Apprenticeships— how and when to apply and the grades needed for entry.

Reading Scholars Programme

The last session is on 2nd October.
Letters have been sent home to students today.
