5th October 2018

Trip to Reading University 10th October 2018 WW1 FIND MY FUTURE DAY Year 9

Your child has been selected to attend a day long taster day event around the theme of World War 1. There will be fun taster workshops from a variety of subjects taught at university, including chemistry, history and more. Pupils will get an idea of what it's like learning at university, find out about the wider context of their school subjects, and have the chance to ask current students what it's like studying at university.

Lunch will be provided for all students. There will be no cost for the trip it is a great way to show students where their studies might take them. **We will meet in the reception at 9.am and return by 3.15pm**

Please sign and return the reply slip at the bottom of the page. If your child's medical details have changed then please complete a new letter on line. By **Monday 8th October 2018.**

Yours faithfully

Siobhan Gallivan
Careers Manager

Please return permission slip to Careers office by Monday 8th October 2018.

I give permission for my son/daughter to take part in the **Find My future Day to Reading University on Wednesday 10th October**

I **do/do not** give permission for my son/daughter to have my group photograph taken*
