

## SUMMER 2019 PUBLIC EXAM TIMETABLE VERSION 5

The table below shows the latest version of the public exam timetable for Prospect School for summer 2019.

Individual candidate timetables have been issued to students and parents/carers by Friday 5<sup>th</sup> April 2019. Individual timetables will resolve any clashes arising from the standard timetable below, i.e. if a candidate is timetabled to sit two exams in the same session.

Note that the final entry in the timetable (which will not appear on individual timetables) applies to all candidates. ***When making plans for summer holidays, you should be aware that 26<sup>th</sup> June is designated nationally as Contingency Day. If 'sustained national or local disruption arises during the June 2019 exam series', any day up to and including this day will be used to hold any exams that need to be rescheduled. We ask that you do not make plans that would make your student unavailable before this date.***
