MESSAGE FROM THE HEADTEACHER

We have almost reached the end of the GCSE and A Level examination period, with only a few examinations now remaining this week. As ever, it has been hectic, but Year 11 and 13 have been exemplary in their conduct during this challenging period for them. We wish them every success in the next step of their education. We held the traditional “shirt signing” session on Friday, prior to the students leaving. For some, the examinations are now over and they can look forward to the Prom on 28th June. Don’t forget though, that there are still exams remaining. See the examinations section on the website for timings and days.

I would like to remind parents and carers that throughout July we have Celebration of Achievement events organised for Year groups 7 – 10. These are to celebrate achievement for individuals from each department and tutor group, as well as Sports Person for the Year and many other awards. Invitations will be sent to parents soon.
